The goal of the Hollyhock School Leaders Institute is to share the Hollyhock Fellowship program with leaders of Hollyhock schools such that they may maximize the experience of their teacher fellows and leverage fellows’ learning across the larger school context. To that end, the Hollyhock School Leaders Institute will provide school leaders with an opportunity to understand the Hollyhock fellows’ learning experience, to learn about CSET's practice-based approach to professional learning, and to engage with other Hollyhock school leaders to consider how best to take full advantage of this opportunity to strengthen the teaching and learning at Hollyhock schools.

**Dates**
The Hollyhock School Leaders Institute will take place during the second week of the Hollyhock Summer Institute when both the 2019 and 2020 Hollyhock cohorts will be on campus. We will begin with a welcome session on Sunday afternoon followed by a welcome dinner on July 12th, and programming will continue through dinner Wednesday evening, July 15th. Please plan to arrive in time for the afternoon session beginning at 3:30 p.m. on Sunday, July 12th and depart on Thursday morning, July 16th.
